JUNIOR LEAGUE OF **STAMFORD-NORWALK**

CENTENNIAL GALA OF THE JUNIOR LEAGUE OF STAMFORD-NORWALK - AUCTION ***Saturday, October 22, 2022 at the Darien Community Association***

Please support the Junior League of Stamford-Norwalk's Centennial Gala by donating to the event's auction. The Gala will celebrate the League's century-long record of addressing critical community needs with innovative programs and projects throughout southwestern Fairfield County.

This elegant evening features a cocktail party at the DCA's gracious mansion and grounds, a seated-dinner, silent and live auction and DJ music. The guests will include not only League members, but a broad range of civic and community notables, as well as philanthropic and business leaders.

The Gala is being promoted through invitations mailed to close to 500 households, various event and auction eblasts, social media posts and news releases providing wide area visibility.

In recognition of your generous donation, your name/business will be featured in the event program, signage in conjunction with your item(s), and other promotional vehicles in connection with the Gala.

Over the years, the Junior League of Stamford-Norwalk has made significant contributions to the initial formation of an entity or the enhancement of established ones with differing missions, including:

The Lockwood-Mathews Mansion Museum
The Maritime Aquarium at Norwalk
Weir Farm National Historic Park Docent Program
Domestic Violence Crisis Center
Pacific House

Your generous support helps guarantee the success of our Centennial Gala.

Thank you

All proceeds support the League's Mission committed to promoting voluntarism, developing the potential of women and improving the community through the effective action and leadership of trained volunteers.

The Junior League of Stamford-Norwalk has positively impacted the communities of Stamford, Norwalk, Darien, New Canaan, Wilton, Weston, Westport, Ridgefield and vicinity since 1923.
