JUNIOR LEAGUE OF **STAMFORD-NORWALK**

January 2024

Dear Friends,

On Wednesday, February 7, 2024, the Junior League of Stamford-Norwalk will host our Founders' Day Celebration at the Maritime Aquarium in Norwalk. This special evening will celebrate our 100th year of service and will feature tours of the aquarium, spotlighting the Touch Tank donated by the Junior League of Stamford-Norwalk, a silent auction, and a 50/50 raffle.

In 1923, the first Junior League of Stamford officers were elected to lead a group of 40 members who provided volunteer services to local charitable organizations. In the decades that followed, JLSN founded or participated in the establishment of 90+ community organizations, many of which continue to operate in Fairfield County, and trained generations of women as community leaders.

We are seeking donations and sponsorships from local businesses to support our fundraiser and Mission. This is a great point of visibility for your business and is another opportunity for you to touch our shared community. We hope that you will partner with us to celebrate this milestone year. Your generous support will allow us to continue to empower women to lead for the next 100 years.

To discuss sponsorships or for additional information, please contact development@jlsn.org or visit jlsn.org/founders-day-celebration.

Thank you for your consideration.

President, Junior League of Stamford-Norwalk
