APRIL 27 • 6:00 PM

DARIEN NATURE CENTER
120 BROOKSIDE RD
DARIEN, CONNECTICUT

President's Welcome to Spring Spirits

Welcome to Spring Spirits 2019!

We are so grateful that you chose to spend your evening with us at our Garden Party and Silent Auction, helping us raise funds to support the mission of the Junior League of Stamford-Norwalk. The money raised tonight will make it possible for our members to continue to impact the communities and individuals we serve, as well as support the training and leadership development of our members.

Now in its final year, our Signature Project, Read 2 Succeed, focuses on improving childhood literacy and school readiness skills in our communities. In five years, Read 2 Succeed has provided literacy programming and over 2,000 books to families from Stamford's South End, children residing in Open Door Shelter, and Head Start students at Children's Learning Centers. Read 2 Succeed's multi-generational approach to literacy has since been replicated in almost all of the Stamford public schools.

In 2019, JLSN will shift its community impact to a new Signature Project focused on empowering women and girls. Our new community project, in partnership with LiveGirl, Inc., will expand their successful leadership development and mentoring program to high school girls in our service area through a program called LiveGirl League. Your support tonight and ongoing dedication to JLSN will be transformative for girls in our communities.

Enjoy a wonderful evening at our garden party and thank you for your support of the Junior League of Stamford-Norwalk.

Silent Auction Procedures and Rules

The Silent Auction uses open bidding; bids are written on a bid sheet, which is open to all those attending the auction event. Each auction item has its own bid sheet with an item number. The item numbers listed in the auction catalog correspond to the item number on the bid sheet. You will also be assigned a bidder number that will be on your program. You may bid on any item by writing your bidder number next to the amount of your bid on the bid sheet.

You must follow these guidelines when bidding:

1. If you are the first bidder, you must start with the minimum bid stated on the first line of the bid sheet.
2. Minimum starting bids and minimum raise increments are listed on the bid sheets.
3. Auction bidding will end at 8:45 P.M.
4. Auction items may be paid for with credit card, check or cash before you leave for the evening.
5. Check out will begin approximately at 9:15 P.M. All auction sales are final. There will be no refund or exchange of items.
6. Any bid entered by you, or anyone also assigned to that bidder number, is considered a legitimate and binding bid.
7. The highest bidder, as determined by the auctioneers, shall be the purchaser. In the case of a disputed bid, the auctioneers shall have sole discretion in determining the purchaser.
8. All items are to be paid for and removed the night of the auction. Items that are not picked up on auction night will be held until Friday, May 31, 2019.
9. Please call the JLSN office (203-655-4662) by Friday, May 24, 2019 to make arrangements to pick up your items. If you have not contacted JLSN by May 24th, the item will be forfeited and offered to the next highest bidder.
10. Stated dollar values, in most cases, are estimates provided by the donors, and in no case are these dollar values warranted as market value for tax purposes.
11. Please read item descriptions carefully - some limitations may apply. JLSN does not warrant the quality or condition of items auctioned. All items and services are donated and are sold in "as is" condition. JLSN shall not be held liable for any damages incurred in connection with any auction item sold. All purchasers of auction items do so at their own risk.
