MISSION

The Junior League of Stamford-Norwalk is an organization of women committed to promoting voluntarism, developing the potential of women and improving the community through the effective action and leadership of trained volunteers. Our purpose is exclusively educational and charitable.

VISION

Women leading change and transforming communities

ABOUT

JLSN's 300+ members live or work in our service areas of Stamford, Norwalk, Darien, New Canaan, Wilton, Weston, Westport and Ridgefield. JLSN is a member of the Association of Junior Leagues International (AJLI), made up of more than 140,000 women in 291 communities in the United States, the United Kingdom, Canada and Mexico.

HISTORY

Since its founding in 1923, JLSN has played an instrumental role in the founding of over 90 community agencies, including Domestic Violence Services, Lockwood-Mathews Mansion Museum, The Maritime Aquarium at Norwalk, Shelter for the Homeless (Pacific House), The Volunteer Center of Southwestern Fairfield County, The Women's Crisis Center, and the Fairfield County Women's Center at Norwalk Community College.

COMMUNITY IMPACT

JLSN's signature community project, JLSN Empowers, works to make a positive impact on the lives of women and girls. In partnership with LiveGirl Inc., LiveGirl League is an eight-week program that creates change agents and leaders ready to make a positive impact in their community. The League's youth-led model encourages every young woman to strengthen her community connections, harness the power of her voice, and work collaboratively with others to make positive change. Our volunteers also support local nonprofits that serve women and families throughout our eight towns in central Fairfield County.
